Hexagon nasce dall'idea di trasformare la geometria dell'esagono in un elemento di design capace di caratterizzare ogni spazio. Ogni collezione offre un linguaggio unico: Domus coniuga eleganza e sobrietà, creando ambienti raffinati e contemporanei.

ENG

Hexagon is born from the idea of transforming the geometry of the hexagon into a design element capable of defining any space. Each collection offers a unique language: Domus combines elegance and simplicity, creating refined and contemporary environments.

FR

Hexagon naît de l'idée de transformer la géométrie de l'hexagone en un élément de design capable de caractériser chaque espace. Chaque collection propose un langage unique : Domus allie élégance et sobriété, créant des environnements raffinés et contemporains.

DEU

Hexagon entstand aus der Idee, die Geometrie des Sechsecks in ein Designelement zu verwandeln, das jeden Raum prägen kann. Jede Kollektion bietet eine eigene Sprache: Domus vereint Eleganz und Schlichtheit und schafft raffinierte, zeitgenössische Räume.
